

Mr. Warfield submitted the following:

BY THE SENATE,

March 20, 1916.

Gentlemen of the House of Delegates:

We propose, with your consent, to the request of the Governor, the return of House Bill No. 583, introduced by Mr. Leatherwood, for further consideration.

By order:

P. WATSON WEBB,

Secretary.

[Which was read, assented to, and sent to the House of Delegates.]

PRESENTATION OF PETITIONS, MEMORIALS AND OTHER PAPERS.

The President submitted a petition of Henry C. Eisen-trager, 339 South Fulton avenue, against what is called the Barber Bill, House of Delegates No. 199, protesting against the passage of the same and calling on Senator Archer, of Harford county, to tell what it means. *[Which was read and referred to the Committee on Judicial Proceedings.]*

Also a petition of the Torsch Packing Company against the passage of Senate Bill No. 61 and House Bill No. 75, appropriating \$12,000 for establishing an oyster-shell lime plant in Southern Maryland. *[Which was read and referred to the Committee on Finance.]*

Also a memorial from Dr. Horace E. Flack, executive in charge of the Department of Legislative Reference, City of Baltimore, expressing his thanks to the members of the Senate for the order which was passed, directing the State Printer to furnish his department with fifteen copies of all Bills and four copies of the Journals. He again calls the attention of the General Assembly that his department has a complete subject index of all Bills pending before the Legislature, and that this index shows the action which has been taken. He furthermore offers the service of the department to every member of the Legislature and states that it will give him a great pleasure to have anyone call on him for information. *[Which was read and referred to the Committee on Finance.]*

INTRODUCTION OF BILLS.

By the President: Senate Bill No. 576, entitled "An Act to create the Maryland Tuberculosis Commission, and to put under its management or supervision, all institutions now in
